

Human Resources Report
InterAct Ministries of Canada
July 3, 2019
Greg Hamilton

Over the past six months the Canada Field office has maintained a fairly quiet existence. The proverbial 'pig in a python' has largely run its course and most of the appointees who were in the pipeline have completed their process and have been launched into ministry on the Canada Field. We give thanks for the new people that are showing interest in and joining in this ministry.

Staff Changes

Steadiness has been the tenor for the first six months of 2019. There has been very little change in our roll call in Canada. We have 29 full-time units on the field. The average support level across the field was 82% in 2018.

Deaths: Wally Bays was promoted to glory in June. Wally and Alice served in numerous roles both in Alaska, starting Victory High School and in Canada through NIC, NBC and the Missionary Development Program. They were both faithful servants who impacted ministry to indigenous people all across North America.

Births: We are expecting *AGAIN!* There are two of our young families, Sebalds and Olneys that are expecting in October and November.

Marriage: Stefan Dick will be marrying Kaitlyn Silcox July 27. Kaitlyn serves at Billy Graham Evangelistic Association in Calgary Alberta.

New Staff:

David and Vicky Sebald joined InterAct in December 2018. David and Vicky are both missionary kids that spent much of their formative years in Mongolia. They are part of the Urban Fire team and have moved to Calgary, AB. They are expecting their third child in October.

Brooke Wortham is one more member of the Urban Fire team in Calgary. She has recently moved back home in Athens, GA. She desires to finish raising her partnership team and be able to move to Calgary in early 2020.

Departing Staff:

Amy Flater (Brandon) joined InterAct in 2010 after completing a youth internship with Dan and Bev Mayerle. Amy, along with Kim Kakakaway, started *Anchored Warriors* and began to reach out specifically to First Nations youth. Amy married Brandon and they were blessed to have Addie join their family a year and a half ago. Brandon has recently transferred to the British Columbia interior and Amy has chosen to focus on their home and daughter. Amy officially resigned June 30, 2019.
