

# **Loon Lake Community Ministry**

Project Evaluation

August, 2014

## Overview

Loon Lake is a Cree First Nations community of 1200 people. InterAct has a history of 40 years of ministry in this community. Dick and Ruth Browning, InterAct missionaries, have been serving in this community for the past fourteen years. Healing Hearts, a partner ministry organization, also has a youth ministry worker in the community. Joni Bennett grew up in Loon Lake and has been involved in Native youth ministry for 5 years. In 1980 until 1990 InterAct missionaries Tim and Linda Woodring were church planters building on the foundation of other Christian workers who were in the community before them. The Woodrings established a church and it was released to Native Evangelical Fellowship of Canada (NEFC) in 1990. The church held its own for a few years but began to falter as some of the leaders struggled to maintain a victorious spiritual walk. In 2000, NEFC leadership approached InterAct about placing another missionary in the community, Dick and Ruth Browning moved into Loon Lake in 2001. Over the years there has been a number of short term ministry teams in the community for a week or two and InterAct has also placed four EnGage missionaries in this community over the last two summers.

The chart below outlines summary of the Loon Lake ministry to date. The outputs and outcomes columns report on what has been accomplished while the impacts are forward looking to project where this ministry is heading in the next 3-5 years.
