New Staff

We recently accepted two new couples, both coming as transfers from other mission agencies. George and Harriett Walker come to us from Ethnos360 and will serve as a mission-wide itinerant missiological trainer from their home in southern California.

Matt and Lisa Derr have been serving with SEND North (Alaska) and will now serve our Alaska staff in the LEaD program and urban ministry.

Movement to the Field

Jamie Roderick and his family moved to Alaska in October and quickly jumped into ministry activities. More recently, David Sebald and family moved to Canada to begin their ministry on the Urban Fire team.

Campus Recruitment

This fall we had representatives at Moody, Great Northern, Corban, Multnomah, Frontier, Toccoa Falls, Columbia International U., Emmaus, Biola, The Master's, Simpson U., Shasta Bible College, and Cedarville U.
